

BTEC WORKS FOR CREATIVES

Are you looking for a way to build a career around your creativity? Then it's good news: the wider creative economy in the UK employs three million people and it's still growing. Experts predict that creative industries will help create one million jobs by 2030*.

Whether you want to become a performer, dancer, musician, artist or media specialist, there's a BTEC course where you can learn about the industry and develop your creative talents. You'll learn skills and techniques, putting them into practice straight away through projects, assignments and workshops. It's all about getting stuck in and developing the skills and knowledge to help your talent shine and succeed in your career.

What kind of career can I go into?
